Built an AI-powered YouTube transcript summarizer using Mistral (via Ollama), React.js, and Transcript APIs, enabling extraction, translation, and smart summaries with local LLM + web fallback.

SKILLS :

Technical Skills: Python | Databases | Data Analytics | Data Structures | Problem-Solving.

Soft Skills: Communication | Teamwork | Adaptability | Continuous Learning.

EDUCATIONS :

B.Tech - Artificial Intelligence and Data Science

2024 – expected 2027

SNS College of Engineering , Coimbatore

AI and Data Science

2024 – 2026

IIT Indore – Intellipaat

Diploma in Computer Engineering

2020 - 2023

GRG Polytechnic College , Coimbatore
